

MechSE Corporate After-Hours

Are you looking to hire the top students pursuing degrees in Mechanical Engineering, Engineering Mechanics, and Theoretical and Applied Mechanics?

Then you won't want to miss MechSE's 2019 Corporate After-Hours event!

What: An exclusive, informal reception for MechSE students and the companies seeking to recruit them.

When: Wednesday, January 30, 2019 • 6:30 – 8:30 p.m.

Where: Mechanical Engineering Laboratory at the University of Illinois
105 South Mathews Avenue
Urbana, Illinois

At the Spring 2019 Corporate After-Hours, you will have the chance to meet, mix, and mingle with the top mechanical engineering, engineering mechanics, and theoretical and applied mechanics students in the nation. Get to know our outstanding students and talk about your company's current opportunities in a relaxed setting. All of our 1,500 students will be invited to attend this event, so this is also a great opportunity to meet our undergraduate and graduate students that would make ideal interns and permanent employees! No setup of booths required; cocktail tables will be provided to encourage meaningful conversations with our students.

Space is limited, so register soon to secure your spot. Your \$500 registration fee includes registration for up to 4 company representatives. The open positions at your company will be clearly identified at your cocktail table, and your company's name and logo will be prominent throughout the event.

Please RSVP:
