* ME & TAM courses from this list satisfy the MechSE Elective requirement.

1. No more than 3 hours of individual study courses may be used to satisfy the MechSE Elective or Technical Elective requirement. Additional hours may be used as Free Electives. Technical Elective credit for individual study courses from other departments is given only by petition. A final report must be submitted to the faculty advisor and the Undergraduate Programs Office (154 MEB) at the conclusion of an individual study.
2. Depending on the technical content, some Special Topics courses (typically, new lecture–discussion courses) may or may not be approved for Technical Elective credit. A Curriculum Modification Petition *must* be submitted to the Undergraduate Programs Office to request the use of these courses for Technical Elective credit *before* registering in the respective course.
3. This course falls under the Professional Elective category. No more than 3 hours of professional elective credit may be used to satisfy the Technical Elective Requirements.
